**SoSilk** is a luxurious carpet made from a fibre called Polyamide 66. Due to the nature of this fibre it is incredibly hard wearing, so much so it is class 32 contract rating, allowing you to have this very versatile carpet installed throughout the house.

Matching its wearing capabilities it is also stain resistant so, after installation, parties don't have to be a thing of the past!

- **Stain resistant**
- **Contract rated**
- **Suitable throughout the house**
